

IS BOB LOKO DEAD?

John T. Bright
OKRIKA

I Have been in doubt since December 23, of the whereabouts of Bob Loko, the Guyman.

That popular column which features in your regular Daily Flash 'Bob Loko by Joe Maranzu' keeps my heart yearning for more supply of your daily newspaper.

If Bob Loko is brave and gallant in dead, please keep your readers informed to quell our enthusiasm we can afford his heroic burial too.

May be he is on the run, If so tell him that a run-away soldier stands to lose come what may. What ever happens, Great Bob Loko deserves those glittering decorations of the Armed Forces - he is

I wish the Proprietors of the Daily Flash Newspaper will make bold enough to continue with that lovable serial of 'Bob Loko the Guyman' column! I saw Bob last at the Calabar sector of Biafra - Nigeria war as a captian.

Captain Bob I salute. Let me hear from you.

* Bob is hale and hearty. Still very much alive and in active service for his country, Biafra.

Unfortunately we cannot for the moment, due to the unavailability of materials, continue to print Bob's escapades. But rest assured. Bob Loko will re-appear—Biafra shall vanquish.
