OJUKWU has done it! Yes, the Military Government of the Republic of Biafra has done it with promptitude.

The issue of Biafran currency and postage stamps is a land mark in the history of this youngest 39th nation of the world and the third power in Africa. Biafra has not only come to stay, but her existence has been acclaimed throughout the universe.

I joyfully salute our Head of State, the Commander-in-Chief of Biafran Armed Forces, Lt. Col.

Chukwuemeka Odumegwu Ojukwu; who has recently rededicated himself to the Biafran struggle for eternal freedom from oppression and genocide against the people of Biafra.

Once more, I salute the Military Government of Biafra, the members of the Consultative Assembly and the peoples of Biafra for issuing without delay our own currency and stamps.

God bless Biafra.
