

OBNOXIOUS WORD

NIGERIA

MAY I express support for the article entitled NIGERIA LIMITED on page two of the January, 16 issue of the Flash. Written by one Nnochiri S. Ogbonnaya. It is disheartening to see the obnoxious word NIGERIA associated with the names of certain institutions here in Biafra.

It is the duty of every society or individual in Biafra to remove the image of Nigeria among us. That is why I feel that it behoves the Biafra Tobacco Company to change the N.T.C. label still fixed to our cigarettes.

Time and again the government of our Republic has warned us against

cigarettes injected into Biafra by the enemy. The change of label from N. T. C. to B.T.C., I hope, will go a long way to enable us distinguish genuine cigarettes from Alibaba - Yakubu "Special Ones".
