

FRANCS? AGREED BUT...

I wholeheartedly support the view of Mr. Ifediora Nzimiro —Daily Flash of 27/1/68, that our new Nation should be entirely differently built from the shreds of moribund Nigeria. The switch from pounds to francs is a nice idea that I hope our Military Government will consider. But I feel the switch will be very sudden if undertaken right now. We must not forget that we are at war and everything to avoid social difficulty and confusion must be done. The Government is fully aware of this and, so places our wellbeing at the forefront. Things are taking their natural courses and, bit by bit, we shall emerge an entirely different sovereign nation.
